# Great balling in China

## My husband and I are honeymooning in China.

It's only our second day, but this afternoon we're off to see The Great Wall. I have been wanting to see it my whole life and feel the connection to it that I hope I have.

We go to the tour group's staging area and wait for our guide to take roll and then we're off. She speaks pretty good English, which is great because none of the group speaks Mandarin. It was a long hot day and we did a whole lot of walking so after the tour was over, we went back to the hotel to chill out.

We went to our room and put the camera gear down. He took a seat in a chair by the window. I was looking at him when he suddenly said, "Take your blouse off."

I asked "Why?" and then he said in a stern voice, "Because I say so."

I unbuttoned slowly, looking him straight in the eye and let it drop to the floor. "Now the skirt." he said.

I unzipped it, and stood there in just my bra, panties and shoes. Then he softly demanded, "Take off your bra... Now your panties." I felt myself beginning to get wet.

"I want you to finger yourself, and make your nipples hard."

I ran a finger down there and rubbed my lady-button, and teased my nipples with my other hand as he watched, fully clothed, still sitting in his chair. He told me to lick my fingers, and I brought them up to my mouth and tasted myself.

"I want you to come over here and take it out." he said.

I could see the big bulge pushing against his pants, and I undid his buckle, unzipped him and pulled his boxers down. I wrapped my fist around his hard cock, pumped it up and down a couple times, and lowered my head but he stopped me. "Now put it between your breasts." he said.

I held it between my boobs, and pushed them together, and he slowly started thrusting between them.

*It was a long hot day and we did a whole lot of walking so after the tour was over, we went back to the hotel to chill out.*

"My dear, I want you to lick the head every time it comes up," he said to me.

I started nibbling his slit as it slid up to my mouth. I licked

He pushed it into me, and started rhythmically fucking me. It felt so good.

He slapped my butt cheeks, and started going faster. I was pushing back into him, needing it. I could hear his groin slapping against my bottom as he started to drill me harder and harder. I told him I was close, and he went even faster and I felt the climax rise inside of me. I moaned as my body was overwhelmed with the spread of pleasure from my pussy and buried my head into the sofa cushion. He kept giving it to me hard, as my orgasm ended, grunting, and then he stopped, then pushed it in as deep as he could, then pulled out.

the clear juice that started to bead on his slit, tasting the saltiness. He stood me up and stood up himself taking all his clothes off.

"Now go bend over the sofa arm," he said.

He came over and got behind me and I felt the tip of his cock part my pussy lips, then I felt his hands on my waist.

me in his arms and began kissing me. I wanted a little more so I grabbed his ass, and managed to drop my hand right onto his cock.

He took my hand and spun me around, checking out my body. He said that the last time he saw me naked it was dark out so he didn't get a chance to see me until now. I told him I wanted to see him as well. I pushed him back

onto the bed and knelt down to play with his rigid cock. I began to run my thumb over the head, smearing the pre-cum around and getting it all slippery.

"Suck it," he said, and I couldn't wait for him to ask.

I knelt down and gave him head right there. It was so naughty being naked, on my knees, in the middle of China, in this hotel room. I sucked his dick for a long time and he was so damn hard. I made sure to pay a lot of attention to his balls, just as he likes, but I had to keep going back to that rock hard cock. I wanted to feel it inside of me and popped my mouth off of him. He looked disappointed but I told him I wanted to get fucked. I told him to lie down on the bed and I climbed up on top of him. I grabbed and aimed his cock at my pussy. I slid down onto it in one long stroke. Damn, it felt good.

I was laughing as I began to pump myself up and down on his cock. He began to thrust up into me hard and started to fill me up. My hips really began to really work his dick. After a few minutes he pushed me off and had me stand up and he got off the bed. He turned out the lights, then took me in his arms. I reached down and felt his dick. It was still wet from both of us and it was nice and slippery for me to start pumping it again. I was ready to bend down, but he pushed me back onto the bed and pushed it back inside of me. He fucked me hard and fast. I love when he fucks me like a jackhammer.

Then I told him to pull out right now and he did. I walked over to the window and put my hands on the glass then looked back at him and stuck my ass out. I told him to get over here and put it back in. He pulled out a bottle of lube and squirted some into his hand. He rubbed some on his

"Do you like that?" he asked.

"Oh yeah baby, can't you feel it?" I moaned back.

I rode his dick for a long time. I was bouncing up and down and he was grabbing my boobs the whole time. It felt so good. I leaned forward and I could feel my clit begin to rub against him. My whole body felt like it was ready to explode. Just after I came I was still bouncing on him and he grabbed my hips trying to make me speed back up. Just as he was starting to get close, a knock on the door and a meek voice asked if we ordered room swervice. He yelled back, 'No, not us.'

cock and then stuck a finger into my ass. It was cold, but it didn't hurt. In fact it just heightened my pleasure. It had always been my secret fantasy to get fucked in the ass. I couldn't believe it was happening. Then, not fast enough, he got in place behind me. He pushed the tip of his cock into my ass and I leaned back so that he slid the rest of the way in. Then he started pumping in and out of me. As he built up steam and rhythm, my body felt like it was on fire. "I'm cumming, again!" I yelled. Then with a few more hard thrusts as he gently pulled my hair and kissed my neck, he came in my ass.

What did you do on your honeymoon?

# Officers very Friendly

*t*he officer was a nice guy and he was handsome as hell. And, I didn't fuck him to avoid a speeding ticket. Now, I told one of my other girlfriends this story and the first thing... right off the bat... I'm going to tell you, is that I was not forced into anything. Anyway, there are a couple of things you're needing to know about me. First, my life's not going too good right now. My husband left me and I got to take the bastard to court.

And second, I'm horny as hell... all the time... and without his dick jammed into me on a regular basis... I'm a mess. So, yesterday I was feeling particularly horny. The truth I was in an incredible hurry to get home from the store with my new vibrator.

I had heard that they had gotten this new toy in called the "Gee-Spot Meel!" and I bought one and needed to use it... bad! I contemplated getting it out while I was driving; but, this is actually a fairly complicated and sophisticated gizmo. I thought there might be some instruction to read. So, I was speeding down Ventura Boulevard. The speed limit is 35 and I was doing 50, but everyone speeds on that street.

So, I'm cruising to get home, and I got my new toy on my lap... and, what should I see in my rearview mirror but those damn flashing blue and red lights. Damn! So, I pullover and this young cock,

I mean cop, comes strutting up to me like he's got a 10 inch dick in his trousers. So, he walks up and I put the window down and he tells me about how I'm speeding and I should get out of the car.

Now, was that even protocol? I don't know; but I think he thought I was drunk. Well, I was back-talking some... "I was in a bit of a hurry because I wanted to try out my new vibe... bad!" I said as I opened the door.

Well, I get out of the car and... that's right... you guessed it... my new Gee-Spot slips off my lap, out of the brown paper bag and falls at his feet. He picked it up, looks at it, and hands it back. And the bastard's got a big smirk on his face.

"Being horny and abandoned is not a crime!" I snap.

"No, it's not," he said. "But you were going a bit too fast."

"My pussy needs attention!" I yelled.

"You don't look like you'd have a problem getting someone," he said.

"Yes," I said. "But who can you trust in today's world."

And, there was a lengthy pause. His eyes gave me the once over. "I'm here to protect... and serve," he said.

*I put the window  
down and and he tells  
me that I'm speeding*

"I'm not trying to get out of the ticket." I cooed back at him.

"I couldn't do that," he said.

I looked him square in the eyes, got up on my tip toes and said forcefully, "I want you to serve me," I said. "Now!"

And with that, he told me to follow his car. He led us to a donut shop near Ventura and Van Nuys Boulevards, and we pulled into a very obscure section of the parking lot, way in the back. I never even knew it was there. We both parked in a far corner and got out of our cars.

"Can I hold your gun?" I asked.

"Firearms are only handled by the officers," he said.

"That's not gonna talking about," I said, unzipping his cop pants.

I reached in and pulled out a huge 9-inch cock. I gasped at the size of it and started off by putting the head of that in my mouth. Don't think me promiscuous for getting right down to business? Why get caught up in the foreplay when all you really just want is a cock in your pussy — bad! As I was sucking, he was moaning and fiddling around with something. That's when I felt a hard little object hit the back of my head. I took his cock out of my mouth and saw a double A battery on the ground. This helpful officer was actually getting my new vibe prepared. Now, that's what I call service. I picked it up and handed it to him, and gratefully started slobbering his knob again.

Well, that complement warmed me up inside like a shot of good bourbon on a winter's night. I really wanted to make this officer happy. I lay back on the hood of the squad car and spread my legs as I rubbed my pussy lips to warm them up.

"Kiss me here officer, please." I said.

His head bobbed down like a sea turtle going after a guppy. And, this young man of authority had quite an authority when it came to cunnilingus! He spent a good twenty minutes in his pussy dive and then I heard the hum of my vibe. He had flipped the switch and inserted my fancy new toy right into my pussy! He diddled me with that for another ten minutes. Now, I was moaning loud enough to wake the dead!

"Fuck me officer!" I was screaming.

He pushed me further back on his car's hood as his purple monster plunged into the depths of my inviting pussy. He started thrusting a bit faster making the car shake on it's tires.

"Fuck me harder officer friendly!" I yell.  
"Fuck my pussy!"

And, at that... we both jumped as flashlights suddenly swept across our partially nude bodies. We separated and looked behind us to see two cops shining lights on our faces and privates.

"Damn, Brad, is that you?" the one officer said to my fuck stud. "We got a call that somebody heard rabid raccoon crying out in distress." Then, the three of them started laughing. And, what the hell, I started laughing too!

Can you guess what happened next? I bet you can. The radio in Officer Brad's squad car blurts out, 'Officer Bradley Smith, needed on Woodman Avenue. Domestic violence.' a woman's insistent voice blurts out. Then static.

"Ah, hell." Officer Brad said as he furiously started putting on his uniform. I hopped off the hood and the officer popped back into the squad car. He was about to pull out when I noticed him frantically scribbling something. 'How sweet,' I thought. 'He's giving me his phone number.'

*I lay back on the hood of the squad car and spread my legs as I rubbed my pussy lips...*

He stuck his hand out the window and handed me my speeding ticket! "I'll see you soon," he said. "These two officers will be happy to take care of you."

And with that his siren blazed and he sped off like a race horse at the track. I was left naked, standing there with the Gee-Spot in my hand! The taller officer saw it and asked if I needed any help with that?

"Well... protect and serve." I said with a smile. The tall officer fired up the vibe and now I was spread eagle on top of another squad car. They had parked just down the way. These two public servants were taking turns servicing

*...the shorter officer had also climbed up too, and he shoved his dipstick in my mouth, muffling my noises.*

my pussy with the vibe. Then suddenly without a word, the tall officer lifted me up turned me onto my knees.

He stripped and climbed up and got behind me. He shoved his salami into my hole and oh, it was a marvelous sensation in the very core of my being. He began pumping me from behind. In my libidinous state, I started moaning and it was sounding like I was howling at the moon. What the hell! As far as I was concerned, this was living. Fucking like dogs and howling – and that mysterious sky. My last howl got muffled, though, because the shorter officer had also climbed up too, and he shoved his dipstick in my mouth, muffling my noises.

These guys were really having fun and I

lost track of time. I closed my eyes and just let them have their way with me. In the process, I was just getting flipped around and cocks were going from here to there and I really didn't know which way was up!

The shorter cop suddenly said he was about to cum. He asked if I would swallow it and I said I would. He sprayed the insides of my mouth with his steamy man-milk and I made an extra loud gulping noise so he hear it. He hopped off the car and collapsed on the ground.

The tall cop who was back behind me kept on pump-

ing and I felt so marvelously naughty getting fucked. And fucked some more. I don't know what sort of amazing control he possessed; but this guy was lasting forever. I had already cum a few times and this stallion was still bucking away. Finally, he gruffly said he was going to cum and coated my back with a copious quality of jizz. He laid back on the hood of the car and thanked me for being so cooperative.

"You're very welcome," I said. "I'm not sure I could take anymore of your pounding my pussy. But I do have to say, 'Job well done, officer.'"

And, at that, I suddenly heard a buzzing in the nearby distance. And who should appear but Officer Brad.

"The call was a false alarm," he said. "Just another rabid raccoon."

The three of us laughed. Officer Brad walked up and grabbed the vibe. He turned it on and put the tip right at the entrance of my pink hole.

"Well, I heard she couldn't take anymore cock," he said.

"I think I've had a change of heart on that one," I said, reaching down and greedily grabbing his crotch.

"Now, how about a little role-playing," he said. "Let's pretend you're a soccer mom who's trying to persuade me not to arrest her."

Now, I know what you're thinking... you're thinking this young cop had a hell of a nerve to suggest such a fantasy. Well, guess what... I loved the idea!

"Oh, officer," I said. "Please don't arrest me. I'll suck you off for free. You know a soccer mom like me has got to be a good girl."

"Suck it, then!" he barked.

I played the role and he grabbed the back of my head and started thrusting his huge cock down my throat.

"That's a good MILFy," he said laughing.

I pulled my head back and looked at him. I sucked him some more until he came in my mouth, and I swallowed that, too. The other two cops had gotten gressed and were looking on. Then suddenly, as before, the same squeaky voice came over the radio, "Cars 25 and 33, you are needed at the Fashion Mall, asap! All of the fashion has been stolen!"
